COMPANY HANDBOOK

COMPANY PROFILE >

DRAWELL INTERNATIONAL TECHNOLOGY LIMITED Shanghai Drawell Scientific Instrument Co.,Ltd Chongqing Drawell Instrument CO.,Ltd

Drawell International Technology Limited is a leading company of manufacturing and exporting laboratory equipment and scientific instruments, founded in year 1999 in China, then has become an joint venture company after being invested by US company since 2014.

DRAWELL is specialized in laboratory equipment and medical instruments: [Face Mask](#), [Stirrer](#), [PCR](#), [Spectrophotometer](#), [Refratometer](#), [Chromatography](#), [Centrifuge](#), [Incubator](#), [Balance](#), [Raman](#), [AAS](#), [FTIR](#), [XRF](#) and etc. They are widely used in Pharmaceutical & food QC, educational research, environmental science, chemical industry and other areas. Meanwhile, we are committed to explore the different markets by attending the exhibitions oversea including Aralab, PICCTON, Analytica Russia, Lab Africa, Analytica Germany , Analytica Latin America etc.

Now DRAWELL already has established business relationships with customers from more than 50 countries, and has enjoyed the good reputation through reliable quality, reasonable price and professional service .

Drawell Scientific always warmly welcome your visit !

Product list

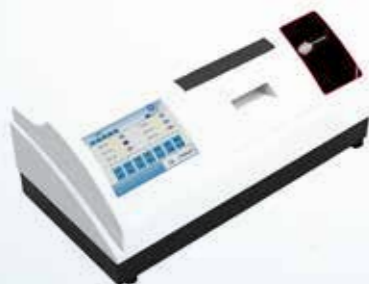

• Incubators & Drying Oven

Anaerobic Incubator
CO2 Incubator
Electric Heating Incubator
Biochemical Incubator
Illumination Incubator
Hot Air Drying Oven
Vacuum Drying Oven
Artificial Climate Incubator
Drug Stability Testing Chamber
Constant Temperature and Humidity Incubator
Muffle Furnace

• Spectrophotometer

XRD X-Ray Diffractometer
UV-Visible Spectrophotometers
AFS (Atomic Fluorescence Spectrometer)
AAS (Atomic Absorption Spectrophotometer)
Micro-Spectrophotometer
FTIR
Fluorescence Spectrophotometer
Flame Photometer
X-Ray Fluorescence Spectrometer
Raman Spectrometer
Carbon & Sulphur Analyzer

• Polarimeters & Refractometer

Polarimeters
Refractometer
Melting Point Meter
Hot (Micro & Polarization)

• Pipette

8-Channel Adjustable Pipette
12-Channel Adjustable Pipette
Electronic Single Pipette
Pipette Aid (Controller), Electronic
Pipette Stand
Autoclavable Adjustable Pipette
Non-Autoclavable Adjustable Pipette

• PCR & TOC Analyzer & Lab Furniture

TOC Analyzer
PCR Analyzer

• Balance

Analytical Balances (0.0001g)
Precision Balance (0.001g)
YP Balance (0.01g+0.1g+1g)
Large Capacity Balance

• Chromatography

HPLC (Liquid Chromatographs)
Gas Chromatographs
Ion Chromatograph
GC-MS
LC-MS

• Microscope

Biological Microscope
Polarizing Microscope
Fluorescence Microscope
Inverted Microscope
Metallurgical Microscope
Stereo Microscope

• Water/Drying/Shaking Bath & Rotary Evaporator

Water Bath
Dry Bath
Shaking Water Bath / Incubator
Rotary Evaporator
Ultrasonic Cleaner

• Homogenizer & Kjeldahl Nitrogen

Ultrasonic Homogenizer
Cup-Form Ultrasonic
High Pressure Homogenizer
Blender Stomacher
Kjeldahl Nitrogen Analyzer
Digestion Furnace

• Autoclave / Sterilizer

Heating Autoclave
Steam Autoclave

• Stirrer/Shaker/Mixer/Rotator Roller /Top Dispenser

Liquid handling
Temp. Control
Magnetic and Overhead Stirrers
Mixer, Rotator & Roller
Shakers
Handheld Homogenizer

• Electrochemistry Instruments & Viscometer

UV Transilluminator
Gel Documentation System
Power Supply of Electrophoresis
Electrophoresis
PH meter
Conductivity Meter
Dissolved Oxygen Meter
Moisture Meter
Viscometer
Potential Titrator

• Freeze Dryer

Desktop Freeze Dryer
Vertical Freeze Dryer
In-situ Freeze Dryer
Silicone Oil Heating Freeze Dryer
Fruit & Vegetable Freeze Dryer

• Water Purification

Super Series
Dura series ultra pure water system
Center Series
Master Touch Series
Master series water purification system
Edi Series
ECQ Series
Smart series water purification system
Medium Series
Basic-Q Series
Central Series
PWS Series
Extention Parts Series

• Refrigerator & Freezer

-150 degree Ultra-Low Temperature Freezer
-86 Degree Chest Ultra-Low Temperature Freezer
-60 degree Chest medical deep freezer
-40 degree Lab&Medical Deep Freezer
-25 degree Chest Low Temperature Freezer
2-8 degree Pharmaceutical &Lab Refrigerator
4 Degree Blood Bank Refrigerator
20-24 degree Blood Platelet Incubator

• Centrifuge

Blood collection system
Benchtop Low-Speed Centrifuge
Benchtop High-speed Centrifuge
Floor Ultra-Capacity Centrifuge
Benchtop Refrigerated Centrifuge
Centrifuge for PRP
Blood Bank Centrifuge
Mini Centrifuge
Oil Crude Centrifuges

• Laboratory Furniture

Laminar Flow Cabinet
Biosafety Cabinet
Fume Hood

Exhibitions

Drawell is committed to explore the different markets by attending the exhibitions, including Arablab, PICCTON, Analytica Russia, Lab Africa, Analytica Germany , Analytica Latin America, Analytica Thailand etc.

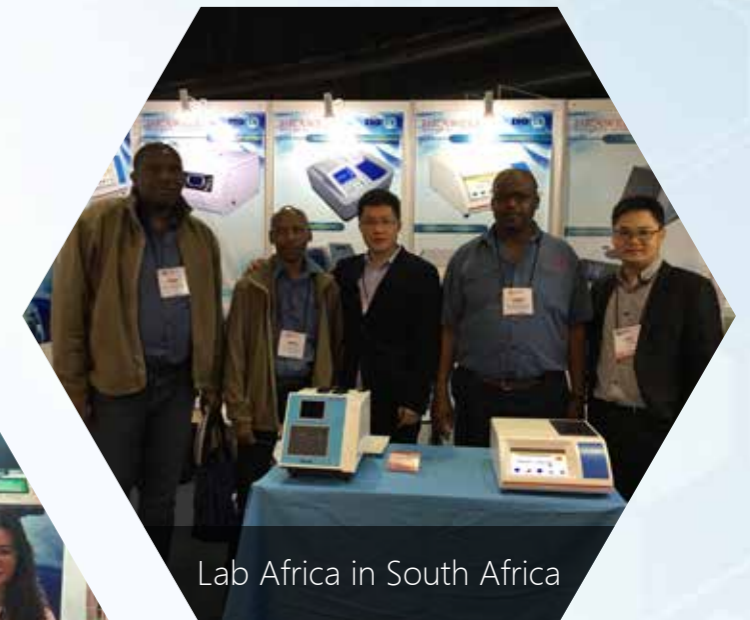

Pittcon 2017

Pittcon 2017

Arablab in Dubai

Lab Africa in South Africa

Analytica Russia

Analytica Latin America
in Brazil

Analytica Germany

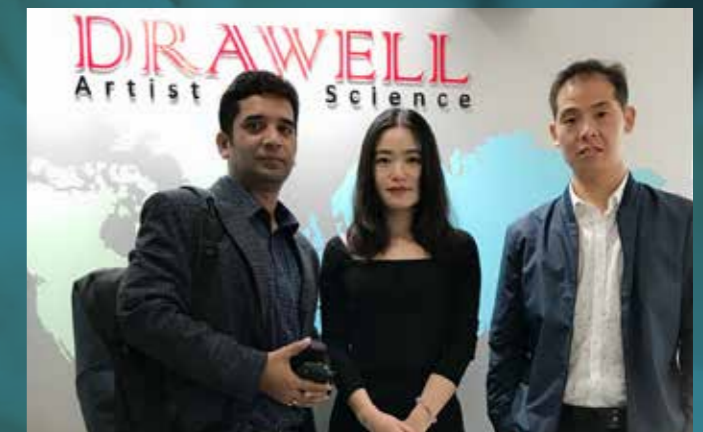

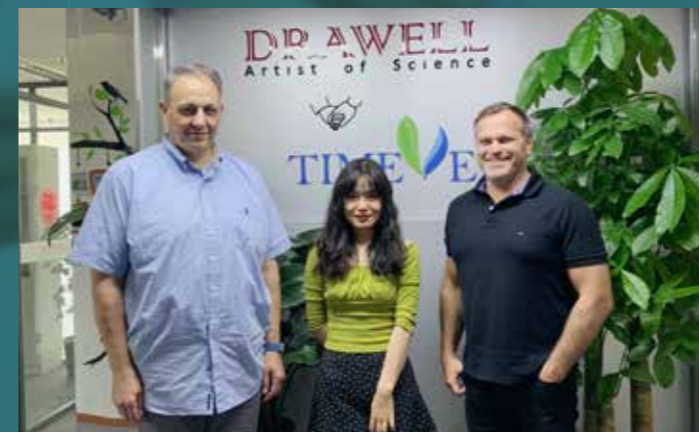

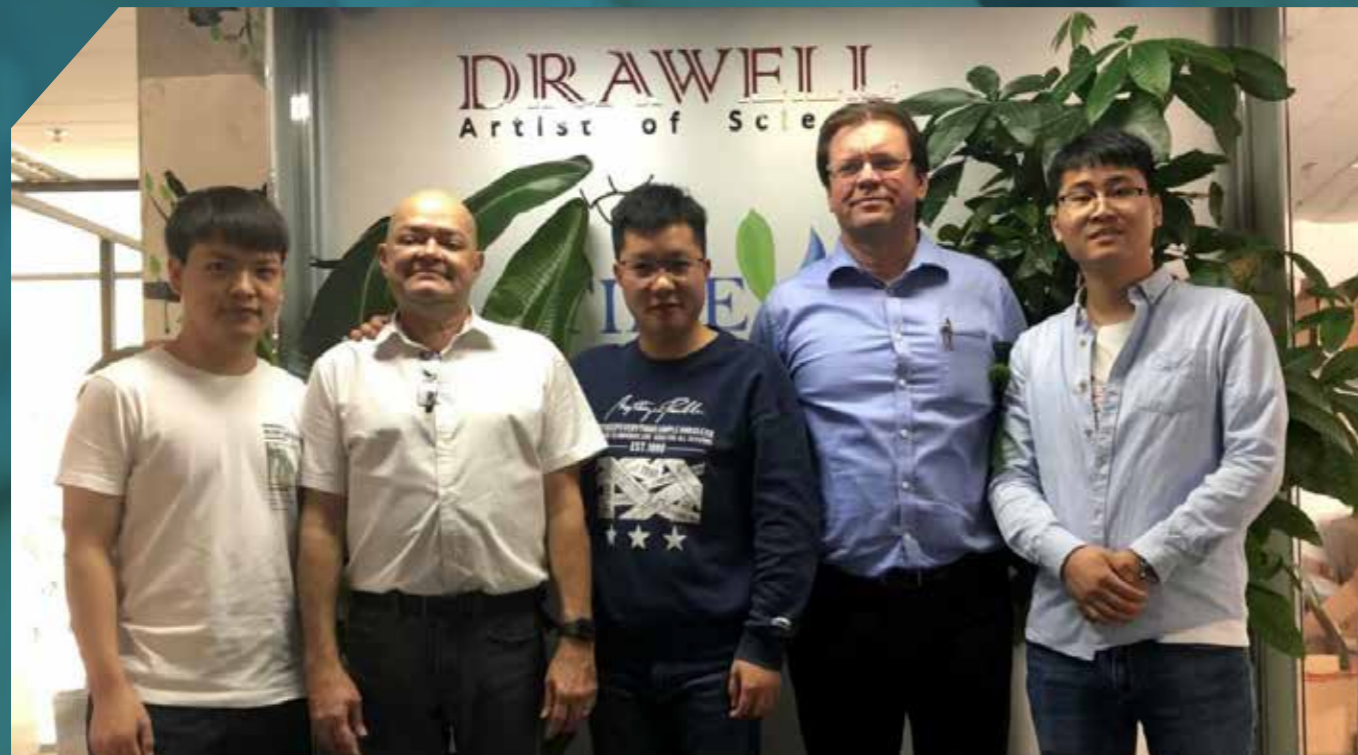

PITTCON in USA

Customers

Partners and distributors have come to visit Drawell from all over the world .

OUR > SERVICES

When customers need ,
we will provide online service all
the time, no matter during work
time or rest time.
